**Re: Almeida v. Hon. N. Peter Conforti, et al.  
Civil Action No. 16-CV-03411-KM-JBC**

Dear Sir/Madam:

This firm represents Defendant, Chief Eric Danielson, in his official capacity as Chief of Police of Andover Township. Please be advised that Chief Danielson makes no reply to Plaintiffs' Motion for Preliminary Injunction due to the fact that this motion is moot as to the Chief.

Subsequent to the original application which forms the basis of the instant litigation, Plaintiff Almeida submitted a new application with additional support to the Andover Township Police Department. Based upon that new application and supporting information, Chief Danielson approved the application for permit to carry. Said approval was processed in the normal course, which means that it was forwarded to the Sussex County Court, Honorable N. Peter Conforti, J.S.C., to continue processing.

Since Plaintiffs' motion is seeking action by Chief Danielson which has already been completed, the motion as to the Chief is moot.

If you have any questions, please do not hesitate to contact us.

Very truly yours,

/s/ Dawn M. Sullivan
